

EXHIBIT A

FAX TO: BOB MORRIS, FROM: JOHN FETTER, DATE: 15 AUGUST, 1999

A few thoughts on our visit. We have been talking about arranging a meeting with Bill Hansen and Bill Sapone, and when I mentioned this to Pat, she indicated that she, too, would like to have a discussion with Bill Hansen, specifically to enquire about the possibility of moving to the USA, and how to organise this, and how this can affect Kim, Neil & Nicholas, and herself and myself.

I would like to suggest that all three of us go over at the allotted time. Then you and I discuss with the two Bills, followed by Pat and myself with Bill Hansen.

Please let me know if this can be arranged.

Regards

John has asked that we set up to discuss the following:

1. Trojan patent situation.
2. Jefferson project and patent opportunity.

The above with myself present.

Then John would like to meet with you and Pat Fetter his wife to discuss:
